

Anderton Nature Park

Anderton Nature Park provides a haven for wildlife on restored industrial land adjacent to the historic Victorian boat lift and near to Northwich town centre. For the full story behind the Park's creation visit www.andertonstory.org.uk

As a result of its industrial past areas of salt, lime, ash and clinker create different conditions which allow unusual plants to thrive.

SUGGESTED ROUTE

DISTANCE: 4km (2½ miles).

ALLOW: 2-3 hours.

DESCRIPTION: There are several routes to explore but the route high-lighted is fully accessible and takes you along a fabulous waterside walk with the option of visiting the bird hide at Haydns pool. There is one motorbike barrier along the canal towpath. It is a wonderful walk that allows you to experience various different wildlife habitats. You could also visit the Anderton Boat lift and make a real day of it.

VISITOR INFORMATION

The Park is located off Marbury Road and is adjacent to the Anderton Boat Lift. The Boat Lift is well signed from Northwich town centre and there are regular bus services from Northwich & Warrington, which stop outside Anderton Post Office.

Accessible toilets are located at the Boat Lift Visitor Centre, where there is also a café.

There is a large car park, with 5 dedicated disabled bays.

Car park charges: up to 3 hours - £2; over 3 hours - £3; season ticket - £25; Blue badge holders free.

Car park opens from 9am-8pm (1st Apr.-30th Sept.) and 9am-5pm (1st Oct.-31st Mar.)
